

Board of Park Commissioners

Approval Form

2022 Parks Paving Project
Various Parks
Project: 2022001
Quest Number: 8092802

Project Approval Request

Scope of Work:

Work includes but is not limited to site demolition, excavation, drainage, milling, paving, striping, sign installation, erosion control measures and seeding to various parks parking lots, drives and trails as specified per drawings and specifications.

At Franke Park, we will be concentrating on the entrance to the park and the seal coating of the Zoo Parking lot at the Zoo main entrance. At Kreager Park, we are concentrating the work at the turn around next to Taylors Dream and a walk path that located next to the outdoor fitness equipment. At the Downtown Community Center, we will concentrate the work in the main parking lot behind the building. At Swinney Park we will concentrate our work on the trail from the Frisbee golf parking lot moving north into the park, and in Hamilton Park, we will be taking care of areas where the edge of the path is deteriorating on the east side of the park.

Quotes were received on behalf of the Board of Park Commissioners on January 28th, 2022. There were four bids and T. E. Inc. was the lowest bidder

Board Approval:

At this time, I would like to request approval for a contract with T. E. Inc. at a total cost of \$198,300.00 with the funding to come out of the Parks Cumulative Capital Funds.

The Fort Wayne Parks and Recreation and the Board of Park Commissioners, met to host their regularly scheduled monthly Board meeting on **February 17, 2022**, to approve the above referenced project and contract, in the amount of **\$198,300.00**

We The Board of Park Commissioners, on the date stated do ATTEST, and sign to the above referenced and attached documents, and approve as presented.

Approval Form

Various Court Improvements

Tennis and Pickle Ball Court Resurfacing Improvements

Project: 2022002

Quest Number: 8100821

Project Approval Request

Scope of Work:

Work includes court renovations at Lakeside, Hamilton, Foster, Kettler, and Tillman tennis courts. Work shall include documenting existing court conditions including dimensions, repair, fill seal and make smooth cracks and imperfections in the playing surfaces. Remove selected tennis court net-posts and install new chain-link barrier fencing per drawings. Prep and install new pickle ball posts including nets per drawings, and prep all court areas to receive a 2-tone tennis & pickle ball court surface per drawings provided by the Parks Department projects team.
