

Board of Park Commissioners

Approval Form

Purchase of two (2) John Deere 2653B mowers for Foster and McMillen golf courses

Project: 31952619

Contract: 031121-DAC

Project Approval Request

Scope of Work:

This is for the purchase of two (2) John Deere 2653B precision cut reel mowers. The Parks Department's golf courses have several mowers within their inventory that are reaching the end of their useful life spans. They have high usage hours and are more than 20 years old resulting in high maintenance and repair costs. These old mowers will be sent to auction next year.

This purchase is part of Sourcewell grounds maintenance contract 031121 which the city is a Sourcewell member and as such does not require bidding to three vendors. These machines will be delivered by John Deere dealer Revel's Tractor.

Board Approval:

At this time, I would like to request approval for a contract with John Deere and Company at a total cost of **\$94,385.92** with the funding to come out of the City of Fort Wayne Foster and McMillen golf course equipment budget.

Fort Wayne Parks and Recreation and the Board of Park Commissioners met on **December 12, 2024**, to host their regularly scheduled monthly board meeting and approve the above-referenced project and contract in the amount of **\$94,385.92**.

On the date stated, we, the Board of Park Commissioners do ATTEST, sign to the above-referenced and attached documents, and approve as presented.

Justin Shurley, Board President

Cory Miller, Board Vice President

Richard Briley, Commissioner

Jenna Jauch, Commissioner

Steve McDaniel, Director/Board Secretary
