

Board of Park Commissioners Approval Form

Packard Park Playground Safety Surfacing

Project: 2024062

Project Approval Request

Scope of Work:

On behalf of the Board of Park Commissioners, the City of Fort Wayne Parks and Recreation Department requested a quote from one vendor to provide the installation of playground safety surfacing for the forthcoming new playground at Packard Park. This project is to be completed in concurrence with the current, overall park redevelopment project.

One quote for the project was received on behalf of the Board of Park Commissioners on November 21, 2024. ForeverLawn, Northeast Indiana submitted their quote, reflecting commodity pricing through the Sourcewell program, and is recommended for project award.

Board Approval:

At this time, I would like to request approval for a contract with **ForeverLawn, Northeast Indiana** at a total cost of **\$204,430.18**, with the funding to come from the Parks Cumulative Capital Fund.

The Fort Wayne Parks and Recreation and the Board of Park Commissioners, met to host their regularly scheduled monthly Board meeting on **February 13, 2025**, to approve the above-referenced project and contract, in the amount of **\$204,430.18**.

We, the Board of Park Commissioners, on the date stated, do ATTEST, sign the above-referenced and attached documents, and approve as presented.

Justin Shurley, Commissioner

Cory Miller, Commissioner

Richard Briley, Commissioner

Jenna Jauch, Commissioner

Steve McDaniel, Director, Board Secretary

Memo

Fort Wayne Parks and Recreation has chosen to utilize Sourcewell for cooperative purchase of synthetic turf playground safety surfacing at Packard Park. This program has been utilized to purchase similar safety surfacing on a previous project at Kreager Park and Boone Park.

Information Regarding Sourcewell Cooperative Purchasing

Cooperative purchasing provides ready-to-use, competitively solicited contracts. Procurement is conducted by, or on behalf of, one or more Public Procurement Units as defined by the American Bar Association Model Procurement Code for State and Local Governments. Sourcewell's analysts streamline the procurement process by developing RFPs and IFBs for national, competitive solicitations that meet or exceed local requirements. Sourcewell's process is continually refined to best meet the needs of participating agencies and offers exceptional products from nationally acclaimed suppliers.

Sourcewell was created by state law as a service cooperative to provide programs and services to education and government. Sourcewell was established with the statutory purpose to assist public agencies in meeting specific needs which are more efficiently delivered cooperatively than by an entity individually.

As a service cooperative, Sourcewell is a local government unit, public corporation and public agency pursuant to the Minnesota Constitution and enabling law Minn. Stat. § 123A.21. All Sourcewell employees are government employees. Sourcewell is governed by an eight-member board made up of local elected officials including county commissioners, city council members, mayors, and school board members.

Sourcewell is authorized to establish competitively awarded cooperative purchasing contracts on behalf of itself and its participating agencies. Sourcewell follows the competitive contracting law process to solicit, evaluate, and award cooperative purchasing contracts for goods and services. Sourcewell cooperative purchasing contracts are made available through the joint exercise of powers law Minn. Stat. § 471.59 to participating agencies.

Sourcewell clients are able to utilize cooperative purchasing contracts through similar joint powers, intergovernmental cooperation, or cooperative purchasing laws in their respective jurisdiction. Participating agencies include all eligible government and education agencies.
