

Board of Park Commissioners Approval Form

Ronald G. Repka Park Playground Improvements

Project: 2025068

Project Approval Request

Scope of Work:

This project includes the removal of existing playground equipment and installation of new playground equipment and synthetic turf safety surfacing at Ronald G. Repka Park. The new playground utilizes the existing fire hydrant-shaped playground border. The new Playcraft playground equipment includes a custom fire truck-themed play structure, swirl slide, climbing, imaginative play, musical instruments, spinning equipment and multiple sensory panels.

A single quote was received through OMNIA cooperative purchasing on behalf of the Board of Park Commissioners on September 23, 2025, from Commercial Recreation Group.

Board Approval:

At this time, I would like to request approval for a contract with **Commercial Recreation Group** at a total cost of **\$249,471.07** with funding from the 2025 Supplemental Local Income Tax Funds.

The Fort Wayne Parks and Recreation and the Board of Park Commissioners, met to host their regularly scheduled monthly Board meeting on **November 6, 2025**, to approve the above-referenced project and contract, in the amount of **\$249,471.07**.

We, the Board of Park Commissioners, on the date stated, do ATTEST, sign the above-referenced and attached documents, and approve as presented.
